

DRAKENSBERG STARTER MASH

Product Info

Our chicken feed is unique in its disciplined, scientific approach to animal nutrition. This feed will continue to bring you extraordinary nutrition for your young chicks. The best choice for natural, optimum nutrition is found in our starter feed, because it is made with the natural no added hormone, ingredients and complete, wholesome nutrition your flock needs to thrive on. Expertly designed and formulated chick feed for natural, balanced nutrition to support strong and healthy growing chicks. It comes in a crumble form to encourage feeding.
